On the Road Again

After a quiet summer it's time for me to get out into the world again and meet with readers and writers.

I hope you'll join me at one or all of the events below. One of my joys as a writer, in addition to the sheer exhilaration of getting the words onto the page, is meeting with people who have read those words.

With warmest wishes,

Linda

Has the time come in your life when you feel the need to gather the photographs and the memories and tell your own story?

Come and explore ways to express what is meaningful to you.
What story do you want to tell?

Your life story

A single important experience (such as surviving an illness)

Achieving an important goal (such as walking the Camino de Santiago)

A spiritual memoir about the search for purpose and meaning in one's life

An exploration of family history

Please join me, Lorraine Mangione, and Sandi Grasso for a hands-on workshop,
sponsored by the National Organization of Italian American Women.
